## INTERESTING MEETING OF THE CITY FATHERS

Mr. Parcher's Resignation Accepted—R. A. Blackburn Appointed to Fill  
Vacancy on the Board—O. A. Lane to Fill Vacancy on Library  
Board—T. W. Watson Elected President of Trustees

The meetings of the board of trustees have been so harmonious and routine lately as to be uninteresting. Last Wednesday evening, however, the city hall was well filled with spectators from thither with a curiosity to see what would happen when President Parcher's resignation should take effect. After some bills had been disposed of the matter was taken up. The city attorney read some laudatory resolutions which were embodied in the resolution accepting the resignation, and adopted. Mr. Leavitt, among the spectators took occasion to say a few words commendatory of the retiring trustee, explaining that he took particular pleasure in doing so on account of the fact that the chairman and himself had been diametrically opposed to each other in regard to some matters that had come before the board, but that he had never questioned the chairman's integrity and sincerity to which he was glad to pay tribute, as also to the good service which he had rendered to the young city during its most critical period. Mr. Parcher responded in a feeling and appropriate manner to the expressions of his co-workers as shown forth in the resolutions adopted. He took occasion to congratulate Glendale upon having such an efficient and conscientious set of officials, expressed his faith in the bright future of our city and his regret that circumstances compelled him to sever his connection with the men whom he had labored with for nearly three years in starting the young municipality forward on its successful career.

After Mr. Parcher's retirement the principal business of the evening was the appointment of his successors as trustee and president of the board. The latter matter was taken up first and Mr. Thomas W. Watson was promptly elected chairman. Mr. Watson refrained from making a speech. For trustee to fill the vacant position a petition was presented signed by fifty citizens of Lomita Park asking for the appointment of Mr. J. F. Muhleman, and Mr. Cole moved that this gentleman be appointed. There was no second to the motion, however, and Mr. Anderson put in nomination Mr. R. A. Blackburn, which was seconded by Mr. Watson. Mr. J. R. White, Jr., was then heard in behalf of Mr. Muhleman and recommended that gentleman most highly for the position. Mr. Elias Ayers spoke in favor of Mr. Blackburn and the latter named gentleman was elected by a two to one vote. There was considerable talk about North and South and Northwest and Southwest. If the points of the compass had been allowed to vote there is no telling what would have happened. Previous to the resignation of President Parcher, Mr. A. O. Lane had been placed upon the library board in place of Mrs. J. N. Witham, whose term had expired. After the meeting adjourned a portion of the citizens remained to investigate a new gasoline lamp warranted to cast light upon all doubtful matters in connection with the city government and to shine impartially upon the just and the unjust, if they gave it a chance.

## TROPHIES FOR FLAG DEFENDERS.

The birthday celebration germ broke out more virulent than ever last Thursday night over on Central avenue, taking refuge from the storm and lightning night in the hospitable home of C. F. Parker, as his special guest. During his absence friends gathered in the pretty rooms of his home and were ready with a chorus of welcomes when he returned. He was awfully surprised! When he recovered everyone joined in the fine game of military whist which his wife introduced "in our midst," six months ago (it is whispered that she found it over at Dr. Lyman's in San Bernardino and brought it home in a suit case), and it has pleased and amused Glendale whist players ever since.

There were several tables, gay with little sand forts, each flying the flag of some country. Each set of players defended the flag to which they first sat down and playing became very exciting and interesting as flag after flag, each one a trophy, was landed at the brave little fort defended valiantly by the Judge himself, Mr. Claude Pulliam, Miss Cheney and Mrs. Peterson, the four to whom finally the honors were awarded, the prizes being silken flags for the ladies and Congress decks for the gentlemen. Mrs. C. F. Parker, to whom the Judge was indebted for the happy celebration, was assisted by their daughter, Mrs. Jessie Parker, in making beautiful and in daintily serving the fine refreshments provided, consisting of birthday party confections. Little pink and white and chocolate-colored things flanked generous banks of frosty cream, and melt-in-the-mouth cakes, angels food and devil's food in such variety and abundance that none there needed breakfast food in the morning.

Departing guests left their blessings and a pair of galoshes, a left-foot rubber and some other things—at least, a few of the guests are waiting for the next rain to see what kind of an umbrella the genial Judge will carry.

## THE CLUB DANCE.

We spell it with the capital D, for, as watchful ones have discovered, there are just dances nonpareil—and Dances. This was one of the Dances. Ask President L. C. Brand and the gay coterie of young tennis players and their many friends who aided the players in working off all the left-over exuberance of the afternoon by tripping the light fantastic. It's too bad to tell it, but, as it goes against the policy of the reporter to leave anything out, we will not break the chronicle by neglecting to mention the surreptitious tapping of very denominational feet along the side-walls! The Glendale Country club dance, as it does not inebriate, but it exhilarates, and club adherents are fast learning to keep pretty good time to its intricate measures. Matrons and masters of ceremonies for the occasion, aside from the president, his wife; the Executive Board and their wives; were Mr. and Mrs. Sternberg, Mr. and Mrs. Wilkinson, Mr. and Mrs. Fraley, Mr. and Mrs. Fred Deal, than whom nothing better could be said than that they realized every minute that they were "on the job," and acquitted themselves accordingly, with credit to themselves and the club. Dainty dance programs were well tied with pale-blue cord, and it's a safe wager that practically every one was filled.

## A GRAND ENTERTAINMENT.

The entertainment and address held last Friday evening in Odd Fellows hall, by the Prohibition League, was a grand success. The famous Clara quartet sang a variety of fine selections which it would be hard to beat. The quartet are in a neat costume and were applauded every time they sang. Their supply of good pieces seemed to be inexhaustible.

The address of Alfred Simon, Esq., was an able and interesting one, and was appreciated by the audience. The attendance was about seventy-five persons, which was good, considering the rain the day before and the uncertain sky of the evening.

This same entertainment will be repeated at the Christian Church in Burbank, this, Friday evening, Oct. 1st. Those missing the Glendale treat will do well to go to Burbank.

The league will meet next Monday evening, Oct. 6th, at the old City Hall. Important meeting. Be sure and come.

## SECRETARY.

## REVIVAL SERVICES AT G. A. R. Hall Greet Fellowship Meetings SUNDAY.

The revival services which Rev. J. W. Utter has been conducting during the past month at G. A. R. hall, under the auspices of the Christian Church, will close Sunday evening, Oct. 4th. The roll of membership in the new church will then be closed. The new organization starts with about one hundred members. A great final fellowship meeting will be held Sunday, the program being as follows: Sunday School at 9:45 a. m. Preaching at 11 a. m. subject, "The Degrees of Christian Life." The ceremony of baptism will take place at a point in the Los Angeles river midway between Tropic and Park avenues, at 3 p. m. Christian Endeavor services at 6:30, and preaching at 7:45 p. m. Prof. Stout will sing at all the services on Sunday.

## CARD OF THANKS.

I desire to extend my heartfelt thanks to those who in various ways assisted me during the sickness and death of my mother.

MRS. MARY MALONE.

only be a good worker for his church, but for the community at large, and as such we welcome him as cordially as we bid Mr. Burton God-speed.

## Local Happenings

Mr. and Mrs. W. P. Baker of Upland, spent Sunday at the Vesper home.

Dr. A. L. Bryant has been called to a consultation of physicians attending his sister.

Mrs. Hannah Tellier of Seattle, has been spending the week with the families of Bright, Ball and Vesper.

Mr. and Mrs. Draper of Caliente, Nevada, arrived Thursday night for a visit with Mr. and Mrs. Menzo Williams of North Glendale. It is quite possible they may settle here in the near future.

The new pastor of the Methodist Episcopal church, Rev. J. F. Humphrey, will preach in the church next Sunday (tomorrow) morning at 11 o'clock, and will also conduct the evening service.

Mr. Ezra F. Parker writes from Peoria, Ill., that "there is plenty of water, heat and dirt" and a long dry spell; but that Mrs. Parker and himself are well and as happy as could be expected.

The W. F. M. Society of the M. E. church will hold on Thursday afternoon next at 2 o'clock in the church. A full attendance is requested as officers will be elected for the ensuing year.

The Priscillas are to meet with Mrs. C. F. Parker next Wednesday afternoon in her home on Central avenue. Mrs. Parker spent the weekend visiting her mother, Mrs. St. Clair, and her sister in Azusa.

Mr. S. H. Olmstead, who lived for several years on Verdugo Road where he conducted what at that time was one of the largest poultry yards in this section of the state, visited Glendale Tuesday last. Mr. Olmstead is a pioneer on the coast and was in early days an associate of the late millionaire, John W. Mackay.

Mr. T. C. ("Chet") Jones has returned from several months' stay in the Sacramento Valley around Sacramento and Marysville. While there he accumulated a surplus of fever and ague germs in his system which have lately put him on the sick list. He already feels the invigorating influence of a climate free from malaria, such as environs hereabouts.

Mrs. E. T. Byram, Miss Ruth Byram and Mrs. S. Galloway returned Wednesday morning from their San Diego trip. Thursday, when it was so stormy here, was very clear there, though it rained some on Tuesday and Wednesday nights. The party made trips to La Jolla, Point Loma and Coronado, and enjoyed their ocean trip down. They returned very tired and very satisfied with their week's outing.

The year books for the Tuesday Afternoon Club are being distributed as rapidly as possible among the members. They are very neat and handsome. The club colors are carried out in the yellow art covers and green typing, which, added to the attractive contents, makes up a pretty good program, as such things go. The work was done at the local printery, and is evidence of good taste and artistic workmanship.

Mrs. Josephine Bryant kept open house on Monday evening for those identified with Chapter L. P. E. O. The program was in the hands of Miss Best, who came over from Pasadena to attend. Mrs. R. D. Goss gave a talk on Tennyson, taking up thoughts of the poet with a biblical connection and presenting them in a lucid and new light. The social hour was full of enjoyment and cake and punch were served at its close.

Mr. Isaac T. Chase, who has been absent visiting his old home in central New York for the past three months, returned home Sunday evening last. Mr. Chase, although declaring that he enjoyed every day of his absence from Southern California, is yet very glad to be here again. The weather was very warm when he left Chicago, but in passing through Western Nebraska he experienced quite a severe snow storm which fell to the depth of three inches. The most of his time while away from California was spent at Watkins and along the lakes of the central part of the Empire state.

## REV. J. F. HUMPHREY SUCCEEDS REV. N. J. BURTON.

Regretting as we do the removal of Rev. Burton from our city, it is yet a pleasure to welcome to our midst the Rev. J. F. Humphrey, who comes to Glendale from Alhambra, where he has been for the past year. Mr. Humphrey was born in 1865 in Illinois, in which state he has spent the most of his life. He is a college and theological graduate and entitled to the degrees of Ph. D. and D. D.

He has spent sixteen years in the ministry in Illinois until coming to California four years ago. His last charge in Illinois was at Fayetteville, one of the largest and most important charges in the conference. He organized and built up from nothing in the northern part of Redlands a church which had when he left it a membership of 167, with a Sunday School having 200 on its roll of membership. Mr. Humphrey, we believe, will not only be a good worker for his church, but for the community at large, and as such we welcome him as cordially as we bid Mr. Burton God-speed.

Born—To Mr. and Mrs. R. J. Imler of Riverside drive, a son.

Mr. and Mrs. Bartlett have moved into their new house on Brand boulevard and First.

Mr. Albert Dow of Orange street is in Portland, Maine, and will soon visit old friends and places in Boston. He left about ten days ago.

Dr. M. M. Cloud and family, who have occupied the Guenthart-Cole residence on Brand boulevard, have moved back to Los Angeles.

Mrs. Mary Remick and her daughter have resumed their residence on Orange street, in their home there, after having spent a year in Los Angeles.

Dr. and Mrs. Robert Blackburn, accompanied by Mrs. L. A. Royce, sojourning to Ocean Park on Monday to visit cousins. Mrs. Royce remained for a week.

Mr. George Mitchell and family will arrive from Wyoming in about two weeks to take up their winter's residence in their beautiful foothill home on Kenneth road.

Invitations are out for a swell little affair on Saturday evening in the new home of Mr. and Mrs. J. A. Monroe, Louise street. Many of the guests will be Los Angeles people, and whilst the amusement provided.

Guests entertained over Saturday and Sunday in the home of Mr. and Mrs. J. G. Hunchberger on Fifth street were ex-Mayor Eno and wife of Long Beach, who were very favorably impressed with Glendale.

The ladies of the First Presbyterian Aid Society are working hard over their new cookbook. Committees are collecting recipes and soliciting advertisements. The next meeting is to be on Tuesday next at "The Manse" home of Rev. and Mrs. S. L. Ward, when work will be taken up and plans discussed for the annual fall bazaar.

Mr. and Mrs. J. Kerr of Sioux City, who unexpectedly arrived last Saturday at the home of Mr. and Mrs. G. H. Barager, have decided to spend the winter here to test the supremacy of our climate. They read about it in a railroad folder, and declare the half has never been told. We hope they will decide to buy and build among us and they may ultimately do so. Mrs. Kerr is a sister of Mrs. G. H. Barager of Cedar street, and a relative on the spot has often been a powerful magnet in locating transients.

It looks as if the Vernon Bettin recital on Saturday evening, in the Masonic hall, would be a social as well as a musical success. Many who heard the wonderful boy soprano at the Glendale Country club, and in the Guild concert, have already purchased tickets. The fact that the boy's voice is greatly admired by Ellen Beach Yaw, with whom he appeared in concert work, has done not a little toward a disposal of tickets.

A coterie of Glendale society folk attended the Tuesday evening performance of "The Test" at the Auditorium. The appearance of the party was very suggestive of the Daughters of Isis, and induced reminiscences of the great day when Glendale entertained the Shriners with Spanish dances, decorated them with roses, and filled them with strawberries. The party included Mr. and Mrs. Daniel Campbell, Arthur Campbell, Mrs. W. M. Blaine, Mr. and Mrs. Charles F. Parker, Mr. and Mrs. John Parker, Mr. Jack Andrews and Miss Cora Hickman of Tropic.

## MR. AND MRS. SHATTUCK ENTERTAIN.

Mrs. Charles E. Shattuck entertained last Friday evening in the most charming manner. Her home on Central avenue had been most artistically prepared for the occasion with blossoms and greenery, suggestive of the season. About thirty friends gathered for a happy evening with a host and hostess renowned locally for hospitality and good cheer. Six tables were used for whist couples, and the game approached the interest of a near contest. Awards were conferred upon Mr. Menzo Williams of North Glendale, a handsome Austrian steele, and to Mrs. Williams, who drew a miniature deck of cards.

Later the repast was discussed with thorough enjoyment, being most sumptuous and of the kind that appeals to lovers of the best.

## A MUSICAL TRIO.

In restful sheltered spots about Glendale one who searches finds every now and again people who have been in the hurry and bustle of the busy world and have come here for rest and to enjoy if even briefly the comforts of simple home life. We ran across in his pleasant home on San Rafael avenue, near Casa Verdugo, the other day, Mr. Fordyce Hunter, a celebrated pianist, a pupil of Reinecke and Jadasohn of the Leipzig Conservatory. Making his home with Mr. Hunter is Mr. Eugene Nowland, the violinist, a friend of Ellen Beach Yaw and a pupil of Ysaye and Joachim. Mr. Nowland has traveled pretty well over the world on concert tours and has many flattering testimonials from high musical authorities. These gentlemen are both enjoying a spell of comparative rest, but have recently associated themselves with Mr. Frederick Guttersen, the cellist, in forming a trio for concert work. Glendale people will be given an opportunity to hear this trio soon, as the Masons have engaged them for a musical to be given at Mason's Hall, Oct. 10th.

## THE PROPOSED NEW RAILROAD CONNECTING WITH EAGLE ROCK.

We publish elsewhere a communication from Mr. E. D. Goode, which we heartily endorse. We can imagine no argument against the proposed road which merits consideration. When completed it will add thousands of dollars to the valuations of Glendale property. No person having any material interest in our city can escape being benefited by the influx of people which it will bring here to become a part of our community and to add us in building up here a city that shall be an additional gem in the crown of Southern California. Let us lay aside any temptation to criticize details or any selfish idea that somebody else is going to reap more benefit than our individual selves and take hold of the project in a large minded spirit which will push it rapidly to a successful conclusion.

## DANCING CLASS.

Mrs. Charles L. Peckham announces that, owing to the unusually large number in her children's dancing class, she will not receive any new pupils.

The dancing class is held in Logan's hall every Saturday afternoon. It is urged that no new pupils apply for admission.

Knox, inspector of postoffice department in reference to free delivery (published elsewhere). Petition for an extension of sixty days' time for the completion of Everett street; same was granted. A petition was received signed by fifty residents of Lomita Park asking that Frank L. Muhleman be appointed to fill the vacancy on the board of trustees to be caused by resignation of Mr. Parcher. Placed on file for later consideration. President Parcher presented the name of O. A. Lane of Lomita Park to succeed Mrs. Ella C. Witham, whose term of office has expired as library trustee. The same was ratified and Mr. Lane appointed.

An ordinance declaring the intention of the board of trustees to change and establish the grade of Glendale avenue from the South line of Sixth street to the Southern city limits, was taken up for final passage. Read and adopted. An estimate of the cost of improving First street from Central avenue to Brand Boulevard was received from the city engineer and placed on file. Trustee Anderson offered a resolution adopting a map showing the proposed improvements to be made on a portion of First street, which was adopted. The weekly report of the tax collector was received and filed. Trustee Watson offered a resolution declaring intention to improve a portion of Mary street, which was adopted. The resignation of Trustee Parcher was then taken up. Trustee Watson occupying the chair. On motion a resolution was unanimously adopted which is printed elsewhere, and the resignation accepted. Mr. T. W. Watson was then elected chairman of the board. Trustee Anderson then nominated for member of the board to fill vacancy, Mr. R. A. Blackburn. Trustee Cole nominated Mr. Frank L. Muhleman. Calling Mr. Cole to the chair Mr. Watson seconded the nomination of Mr. Blackburn who was then elected a member of the board of trustees. Trustee Anderson offered a resolution of award of contract for work on Second street to E. A. McCombs, which was adopted. The president of the board was authorized to sign the contract for the erection of a fire building, as heretofore awarded.

## CHANGE OF PASTORS IN M. E. CHURCH.

Reverend N. J. Burton will remove with his family to Burbank, where he has accepted a charge. He and his faithful wife and the various members of his family will be greatly missed in the large circle of friends made during their year's residence with us. Reverend J. H. Humphrey of Alhambra, and formerly of Redlands, will take up his charge in the local Methodist Episcopal church at once, and will occupy what is now usually known as the parsonage, corner Third and Cedar streets.

## POSTOFFICE DEPARTMENT.

Office of Inspector.  
Los Angeles, Cal., Sept. 30, 1908.  
Mr. G. B. Woodberry,  
City Clerk, Glendale, Cal.:

I have in my possession a petition signed by residents of Glendale, Cal., and a resolution of the Board of Trustees of your city asking that the Glendale postoffice be made a branch of the Los Angeles, Cal., postoffice for the purpose of securing free delivery service. You are informed that the city has been inspected to see if it is in such condition that delivery service can be established, and it has been ascertained that you lack two requirements to secure this service. These are: Street signs are not at all intersections of streets and the houses are not numbered to any appreciable extent. It is not possible to extend the facilities of free delivery service to any place until these two requirements are fully complied with. This is to request that this letter be presented to the Board of Trustees of Glendale at its next regular meeting to see what action can be taken. As soon as houses are numbered and signs all in place, favorable report will be made in the matter of this prospective free delivery, but not until then.

Kindly favor me with a report of the action of the Trustees. Enclosed envelope for reply needs no postage. Very respectfully,

P. C. KNOX,  
Postoffice Inspector.

## NEW RAILROAD.

The time has now come for action concerning this most important improvement, and unless immediate steps are taken to raise the bonus we are likely to be without a road for many months, perhaps years. It seems that we should have in an enterprising city like Glendale thirty-five citizens who would be willing to pay one hundred dollars each for an enterprise that would add more than one hundred dollars' value to every lot within two blocks of the road. It is two miles from Glendale avenue to Eagle Rock, and if the frontage on the new road was assessed to raise the necessary \$3,500 it would only amount to fifteen cents per front foot, and surely we can not afford to turn down an enterprise of this kind for the lack of such a meager sum.

We are anxious to see our portion of the town keep pace with all other parts and with all other towns, and a railroad on this side is absolutely necessary to accomplish that end. It now rests with the people of the center and East Side of Glendale whether we have a car line or not. The committee will be among you immediately and I again assure you that cars will be operated on or before ninety days from the time \$3500 is placed in the Bank of Glendale as a bonus.

E. D. GOODE.

## CONCERT AT PRESBYTERIAN CHURCH.

Next Friday evening, Oct. 9th, a concert is to be given at the Presbyterian church under the direction of Prof. Earl B. Valentine. He will be assisted by the young violinist, Yglesias, who is said to be a wonderful performer, and by the orchestra, which Mr. Valentine has been training for some time past.

## PRETTY AFTERNOON TEA.

Mrs. J. C. Danford very prettily entertained a few guests in her home on Belmont street to honor her aunt and houseguest, Mrs. T. N. Lakin, of Vandalla, Ill., in California for the first time. Among the invited were members of the library board and intimate neighbors. On Wednesday Mrs. Lakin and Mrs. Danford "did" the nearest beach resorts.

### MAINE TRIES AN EXPERIMENT.

At the recent election in Maine, the majority of the voters expressed themselves in favor of a limited initiative and referendum. Under the operation of the law adopted the legislature is still permitted to pass laws, but they will not become operative for ninety days. Within that term they may be abrogated upon petition signed by 10,000 voters. On a petition signed by 12,000 voters, a new law can be offered to the legislature, which that body, however, is not compelled to pass. Considering the ease with which signatures can be obtained to any sort of a petition (except when it costs the signers something) we shall look for some freakish political experiments in the Pine Tree state.

### MR. BRYAN WRITES A LETTER.

"In the hands of men supremely great, the pen is mightier than the sword." Mr. Wm. J. Bryan tried to achieve greatness once by buckling on the sword. He became colonel of Nebraska Volunteers by grace of the governor; strutted a few days upon the stage in his new uniform and disappeared behind the scenes, to show up in Washington when the war was over and urge his fellow Democrats to ratify the treaty of peace which he had no hand in securing. The other day he rushed in wheeled in a carriage well fear to tread, and wrote a letter to President Roosevelt, which brought a prompt reply.

Mr. Bryan does not win any more glory in his letter writing contest than with his beautiful bloodless sword, which, if we judge him by the poet's standard, must indicate that he is not "supremely great," a fact which more people have long suspected.

The resignation of Mr. Wilmot Parcher, went into effect last Wednesday evening. As stated before in these columns, the retirement of Mr. Parcher from our municipal board of control, is a distinct loss to our city. He has done such good work during his incumbency of the office of president of the board, that we had grown into the habit of depending upon him, quite unreasonably, to continue to do it always. The trustees appointed Mr. R. A. Blackburn to fill the vacancy on the board. Mr. Blackburn is well-known as a progressive and public spirited citizen, well endowed with energy and a disposition to accomplish things for the welfare of the community. He will make an efficient public servant. We should have been equally well satisfied by the appointment of Mr. Muhleman, who although not well known to our people, is vouched for by his neighbors of Lomita Park as a gentleman who would have been a valuable acquisition to the board.

### A CASE OF RELIGIOUS INTOLERANCE.

We have taken occasion more than once to point out wherein some things are done better in England than with us; particularly in regard to the administration of the laws. But England has not yet attained to the point of religious tolerance which exists in the United States. During the recent Eucharist congress in London a Catholic street procession was so strenuously objected to in advance that it could not take place except in a much more modest form than was planned. So serious were the objections that the prime minister thought it necessary to request that the Host be not displayed in public. Had a modification of the plans of the processionists not been secured in this way a law against Catholic processions, passed in 1829, would have been invoked! A good deal of the spirit of the old pilgrims still survives in the mother country, that spirit which impelled them three hundred years ago to cross the ocean where they could worship God according to the dictates of their own conscience. It was unfortunate in those days for the individual encountered by them who had a conscience dictated to in a manner somewhat different from theirs. He was in danger of being persuaded with a club. Of them it has been said, "They fell first upon their knees and then upon the aborigines."

### THE REFERENDUM AND RECALL.

Some very good people are inclined to be enthusiastically in favor of experiments in government which are theoretically fair to look upon, but

which in actual practice do not work out desirable results. We believe that this statement applies particularly to those imported ideas of government, the Referendum and Recall. The principle behind both of them is radically wrong. The voters by deliberate choice select men by reason of their supposed fitness to represent them and enact laws for the people at large. The men selected are naturally above the average in ability and knowledge of public affairs; not better citizens than the average of their constituents necessarily, nor more honest, but assuredly better fitted to perform the work assigned them—or why selected? Under the Referendum it is proposed that the laws which this body of men select as calculated to best answer the purposes of government, be inoperative until passed upon by the voters at large! This is legislating in a circle by first selecting men to do the work and then doing it yourself. The Recall works somewhat differently. This is an excellent plan theoretically to get rid of an unfaithful officer. Theoretically it means that if a public official proves recreant to his trust, he shall be recalled; that is, permit the voters again before his term expires to ballot and decide whether he shall longer retain office. This idea is based upon the supposition apparently that the official's course is so obviously contrary to the wishes of his constituents that the demand for his recall will be practically unanimous; a condition rarely or never existing. In actual experience it enables a vigorous or well organized minority to compel a public official to stand the expense and annoyance of a second electoral contest, with a good chance of being beaten, not because he has done wrong in fact, but because his actions have been displeasing to a faction. If the recall should be invoked with anything like frequency it would result in men who possess any independence of character, refusing to stand for public office. The latest attempt to "recall" an official is announced as being under way in Los Angeles, the proposed victim being Leslie R. Hewitt, city attorney. Theoretically the recall contemplates the removal of an executive official because he will not execute the laws which he has sworn to enforce. But in the case of Mr. Hewitt, the only excuse for his recall is the fact that a certain and quite numerous class of citizens object to his efforts to enforce the law! The Liberal Alliance and the German Alliance of Los Angeles wish Mr. Hewitt removed because his assistant, Mr. Woolwine, has been making a too vigorous effort to enforce the city ordinances relating to gambling and the "red light" district. It only requires 15 per cent. of the number of voters at the last election to compel the Council by petition to call another election. When the number of signers to the petition for recall is raised to fifty per cent., it will be a practical success, but it is a safe wager that in that event there will be no recall.

There is a remedy for every evil under the sun, but there will be no great reform in matters political until voters mix more common every day sense with their theories of government and cease to be used as contributors to the tail of the kite that is thrown to the wind of public favor by every political demagogue and fakir that is fertile in promises and barren in performance.

Mr. Peckham, who is a clever writer of songs and verse, assisted so materially in rendering the minstrel show which was given by the ladies of the corps and of the Thursday Afternoon club such a financial success that the ladies decided to tender him a surprise. A charming feature of the evening's program was the rendering of a number of patriotic airs. Mrs. Charles L. Peckham, senior vice president of the corps, added much to the evening's pleasures by singing in her sweetest, richest soprano several German songs.

The Glendale city grammar school opened on Monday with an enrollment of 311.

Mr. L. V. Glasscock has withdrawn as candidate for supervisor for this district, on the Prohibition ticket. This action is creditable to Mr. Glasscock and to his political friends who, no doubt, sanction it. This narrows the contest down a little more closely. Mr. Pridham, the Republican candidate, is as near being a Prohibitionist as any practical temperance man can desire. We now repeat that no good citizen desiring to secure an honest administration of county affairs and to elect a member of the board of supervisors from this district who will be free from any entangling alliances with undesirable elements in government, can consistently vote for Mr. Schwam as against Mr. Pridham.

CITY OF GLENDALE.

STATE OF CALIFORNIA, ) ss.

I, G. B. Woodberry, City Clerk of the City of Glendale, do hereby certify the foregoing to be a full, true and correct copy of Ordinance No. 80 entitled "An Ordinance declaring the intention of the Board of Trustees of the City of Glendale to change and establish the grade of Glendale avenue from the South line of Sixth street to the Southerly City boundary" and that at a regular meeting of the Board of Trustees of the said City held on the 30th day of September, 1908, said Ordinance was duly passed and adopted by the following vote, to-wit:

Ayes: Anderson, Cole, Parcher, Watson.  
Noes: None.  
Absent: Grant.

IN WITNESS WHEREOF I have hereunto set my hand and the Official Seal of said City this 30th day of Sept. 1908.

G. B. WOODBERRY,  
City Clerk of the City of Glendale.

ANOTHER RAILROAD.  
A meeting was held at the store of Kohler & Tarr, at Sixth and Verdugo Road, last Saturday evening, to discuss the question of a "cross-town" railroad from the eastern limits of the city on Sixth street to Brand Boulevard or farther. No definite action was taken, but it is possible that the outcome will be the formation of a stock company to push this enterprise.

NO BAR AT THE GLENDALE COUNTRY CLUB.  
Directors Vote to Dispense With the Dispensing of Strong Drink.  
At a meeting of the directors of the Country Club last Saturday it was unanimously decided to dispense with

the buffet as far as intoxicants are concerned. While this action is probably the direct result of the recent court decision the right of social clubs to sell liquors in regard to which the directors have shown their patriotic regard for the law, yet the action was not, independently of that, entirely unexpected. But few members of the club were patrons of the buffet and it has never paid expenses. The liquid refreshments hitherto attainable at the club by the few who desired them, will not be missed by the membership at large.
